Title: The Cove Cemetary Attacks...

A strange event  
happened this eve. A  
farmer named  
Abraham, was  
strangly wandering  
around the town of  
cove looking for his  
boar. Only to hike out  
to the far reaches of  
the forest outside of  
the towns reaches.  
Only to wander into an  
over populated  
cemetary to the North  
East. Yet it was not  
populated by humans,  
but rather populated  
by many unearthly  
dead yet... undead  
creatures. This  
strange Farmers  
name was Abraham,  
and only spoke of his  
lost boar. He  
unfortuneatly  
perished from the evil  
monsters that were in  
the cemetary as many  
warriors fought to  
battle them off, but it  
was of no use. He  
perished all too  
quickly. Strangly  
enough, his body  
decayed rather than  
stayed whole until it  
dissapeared. Thinking  
of the strangness of  
this event, I searched  
his corpse of anything  
that could leave a clue  
as to why this farmer  
was brutaly  
slaughtered but only  
found his clothing. I  
figured that he should  
be remembered for  
something other than

his death, and  
removed his clothing  
from his corpse to  
display and tell the  
story of the poor  
farmer.  
Now you know, please  
don't forget.
